

PROJECT- 6

//program too convert total mins into hours and mins

//program name: 006_As.c

```
#include <stdio.h>
```

```
int main()
```

```
{
```

```
    int tm,h,m;
```

```
    tm=h=m=0;
```

```
    printf("Enter Total minutes:");
```

```
    scanf("%d",&tm);
```

```
    h=tm/60;
```

```
    m=tm%60;
```

```
    printf("Time is %d hrs and %d mins....",h,m);
```

```
    return 0;
```

```
}
```

```
Enter Total minutes:250
```

```
Time is 4 hrs and 10 mins....
```

```
Process returned 0 (0x0)    execution time : 5.519 s
```

```
Press any key to continue.
